Sunday Holy Eucharist 8:00 & 10:30 a.m.
Holy Days as announced

New Construction and Parallel Congregational Expansion St. Paul's and Mpuguso Lutheran Church

Contemporaneous with the recent renovations to our house of worship here at St. Paul's, our sister congregation, the Mpuguso Lutheran Church, in southwest Tanzania is also now in the process of erecting a new church facility to house their burgeoning congregation. In order to appreciate fully these concomitant developments here in York and in Africa, a little background on the Mpuguso Lutheran Church and the long-term and growing twenty-five year Christian relationship between St. Paul's and the Mpuguso Lutheran Church and the Konde Diocese is in order.

Early Beginnings

In 1984, seven families in Tukuyu, Tanzania began reading the Bible together and worshipping informally in their homes. Over the course of the ensuing decade, other families joined that initial group. By 1994, the Christian enclave in Tukuyu had grown to the point where there was insufficient space in anyone's home to accommodate everyone. Accordingly, those families put their faith in the Lord and moved forward with the erection of a church facility. Their hope was that they would all be able to worship together and then spread the Word of the Lord throughout Tukuyu and the surrounding communities.

Congregational members attending one of Mpuguso's multiple Sunday church services

At that same time and through the leadership of Bishops Guy Edmiston and Carol Hendrix of the Lower Susquehanna Synod, St. Paul's was paired up with the Mpuguso Lutheran Church as "companionship congregations". Over the course of the ensuing twenty-five (25) years, St. Paul's has developed an incredibly close bond with the Mpuguso Lutheran Church and the Konde Diocese.

Travels to Tanzania

Our former Pastor John Wenzke and his wife, Annabelle, along with Carl and Aaron Jacobs, travelled to Tukuyu, Tanzania to visit with our sister congregation in 1998. Following his retirement, John Wenzke and Annabelle returned to Tanzania once again in 2004 where they embarked upon a four month collaborative teaching process within the Konde Diocese. During the spring and summer of that year, Pastor Wenzke taught Christian theology to dozens of ministers within the Konde Diocese.

Over the course of St. Paul's twenty-five year companionship relationship with the Mpuguso Lutheran Church and the Konde Diocese, seventeen members of St. Paul's have travelled to Tanzania at various points in time. Each of those visits have contributed to and fulfilled St. Paul's mission statement in a very direct fashion.

Commencing in 1995, St. Paul's began to extend financial contributions which assisted the Mpuguso Lutheran Church in expanding its physical structure. St. Paul's collaborative initiatives with Mpuguso also helped to fuel the growth of the Christian community in Tukuyu. Between 1995 and 2020, St. Paul's has embarked upon a series of other educational initiatives and collaborative ministries with the Mpuguso Lutheran Church and the Konde Diocese.

Under the leadership of Pastor Melkizedeck Mbilinyi, who had undertaken graduate studies at the Gettysburg Seminary back in 2005 and 2006, and through the guidance of St. Paul's dear friend and Mpuguso's senior elder, Elisha Mwamwaja, the Mpuguso Lutheran Church has been experiencing phenomenal growth. "Overflow attendance" at its multiple services is a constant (but welcome) problem. There simply is insufficient space for the growing Christian community at Mpuguso to worship together.

Pastor Melkizedeck Mbilinyi

Building for the Future

As a result of their desire to worship and share the Word of the Lord in unison, the Mpuguso congregation has now commenced the erection of a new church facility to accommodate the phenomenal and ongoing growth of their congregation. The building contractor and his workmen started work on the foundation of the church basement on June 20th. Their initial construction objective is to dig trenches for the foundation, fill in

concrete to hold reinforcement bars, and prepare for shuttering the concrete pillars. As we all know from our recent construction experience at St. Paul's, Mpuguso will be dealing with a plethora of future construction challenges and significant future construction expenses.

Elisha Mwamwaja, Pastor Mbilinyi, and the Mpuguso chairperson of their construction committee, all standing within the construction site

Outreach

Over the course of our shared ministries from 1995 forward, the Mpuguso Lutheran Church and St. Paul's, in conjunction with the Lower Susquehanna Synod and the Konde Diocese, have embarked upon a series of educational and Christian outreach initiatives. Outreach projects have included the education of young members of the Mpuguso congregation who have become trained evangelists, following their three year education and training at the Matema Bible College in southwest Tanzania. Those young evangelists now assist Pastor Mbilinyi in responding to the congregational needs of the Mpuguso parish. Most importantly, the evangelists travel to open sites in the Tukuyu countryside (often 15 to 25 miles from Tukuyu) on a regular basis each week. At those distant locations, they share the Word of the Lord and interface in an open-air setting with other Tanzanians who are unable to worship at the Mpuguso Lutheran Church in Tukuyu because of their remote location and/or as a result of a lack of transportation.

St. Paul's-Mpuguso/Konde Diocese educational projects have been multi-faceted. The most significant and creative educational initiative was initiated back in 2005 and 2006 when Pastor Meshack Njinga (who subsequently became the Treasurer of the Konde Diocese following his return to Tanzania) was studying finance and accounting at York College. During his eighteen month course of study at York College, Pastor Njinga was an extremely active member of St. Paul's. Carol Woodbury kindly provided lodging for Pastor Njinga. Meshack could walk from Carol's residence on Grantley to York College for his classes, and he could also hike to St. Paul's, where he would visit regularly with Pastor Reep and participate in church events.

In addition to developing a very close relationship with Pastor Reep, Pastor Njinga also worked directly with Pastors Judy and Tom McKee regarding joint Christian outreach projects between the Lower Susquehanna Synod and the Konde Diocese (Judy McKee had served as the LSS's special liaison to the Konde Diocese and had traveled to Tanzania ten separate times in fostering that global relationship before recently joining the St. Paul's congregation). During their discussions about educational issues in Tanzania back in 2005, Pastor Njinga referenced the financial challenges faced by pastors and evangelists in Tanzania in attempting to fund the education of their children.

Establishing Education Scholarships

The Tanzanian government pays for the cost of primary school education of children, but not for secondary school educational costs. Secondary schooling in Tanzania is premised upon the English model. Students are required to take annual tests in order to move on to successive class levels. Only the brightest and most committed young women and men progress with their secondary schooling. With the Tanzanian government being unable to fund secondary studies, the costs of secondary schooling must be borne by the families of each student. With pastors within the Konde Diocese generally earning the equivalent of \$75 to \$90 per month and with annual cost of one year of secondary education generally running anywhere from \$350 to \$750 per child per year, these secondary education costs place a huge financial burden on pastors and evangelists within the Konde Diocese.

Pastors Judy and Tom McKee, Pastor Reep, Pastor Njinga, and St. Paul's Mpuguso-Konde Committee developed a scholarship program designed to provide financial educational assistance to the children of selected pastors and evangelists within the Konde Diocese. This scholarship program was initiated back in 2006 and has continued today on an open-ended basis. St. Paul's includes scholarships in its annual budgeting process. Some remarkable results have ensued. Bishop Dr. Edward Mwaikali of the Konde Diocese has been selecting scholarship recipients based upon their educational commitments and their academic dedication. Since the inception of the St. Paul's-Konde Diocese scholarship program, a number of scholarship recipients have graduated with outstanding academic results. Several have pursued further graduate schooling, while others are now embarking upon meaningful and critically important public service positions within Tanzania.

Improving Healthcare

One of the initial St. Paul's-Konde Diocese scholarship recipients back in 2006 was Omega Allen. Following his graduation from secondary school, Omega Allen was admitted to a comprehensive nursing school program, with St. Paul's providing scholarship funding in that respect. Omega graduated and is now providing critically important medical care in southwest Tanzania at the Itete and Matema Hospitals. Ansajiye Njinga, the daughter of Pastor Meshack Njinga who had visited St. Paul's and served as a summer counselor (and who is the self-proclaimed grand-daughter of Bill and Nancy Banta) is also enrolled in nursing school. She anticipates graduating next summer (2021), after which she will join Omega Allen and become a member of the Konde Diocese medical team.

In 2017, Mike Hanson provided St. Paul’s congregation with an in-depth overview of the unserved medical needs faced by most Tanzanian families. Mike noted quite explicitly that there are major gaps in the Tanzanian health-care system. The absence of medical services is particularly dire in the more rural and remote areas of Tanzania such as Tukuyu. The gaps in the Tanzanian medical infrastructure to which Mike alluded become even more critical during a medical crisis such as the COVID-19 pandemic.

Getting Involved With Mission Hopes and Dreams

Hopefully, the Lord will continue to bless St. Paul's continued efforts to fulfill our mission statement. We seek ways for our congregation to expand and build upon the initial foundation which has been established with the Mpuguso Lutheran Church and the Konde Diocese over the course of the past twenty-five years. Jim Mum-mert, who has enthusiastically and ably chaired the Mpuguso-Konde Committee for a number of years, and the Mpuguso-Konde Committee respectfully suggest and offer the following mission objectives over the course of the ensuing decade:

- Continuation and expansion of the St. Paul's-Konde diocese scholarship program for selected children of pastors and evangelists within the Konde Diocese;
- Further medical infrastructure initiatives, including the establishment of a medical-nursing scholarship for Elizabeth Katalima, who is a member of the Mpuguso Lutheran Church congregation (Elizabeth is currently enrolled in a nursing program and hopes to pursue an advanced nursing degree beginning in 2021 which would be in the nature of a physician's assistant position);
- Expansion of St. Paul's Mpuguso-Konde Committee to include enthusiastic, mission minded, members of St. Paul's congregation.
- Furtherance of the make-up of St. Paul's Mpuguso-Konde Committee with the expansion of our global African partnership through continued Tanzanian visits on the part of St. Paul's members. Hopefully, that will include some of the current youth and younger adults within our congregation in the years ahead.
- Future consideration of a full medical scholarship for Omega Allen, who has received rave reviews about his nursing contributions and who has expressed a strong interest in pursuing a full medical degree.
- One time gift to support construction expansion at Mpuguso Lutheran Church. Checks should be made out to *St. Paul's Lutheran Church* with "*Mpuguso Appeal*" in the memo line.

Thank You

Special thanks is extended to our Mpuguso Committee members, especially to Joe Moyer for his preparation of this article. We appreciate their zeal for our mission relationship and for ways to extend and foster Christian Witness.

**Deadline for the
November newsletter
is October 15th**

Food Pantry—October

Items needed: Canned beans, canned vegetables, apple sauce, canned meats, mashed potato mix, rice, pasta side dish and jelly. Anyone able to help can contact Teresa Rohrbaugh or Janet and Larry Moore. Plastic Bags are always needed. Money donations are gratefully accepted. Please place cash or check in a "special" envelope marked "Pantry".

Preschool started on Monday, September 14th. This year the preschool will have one four-year-old class and two three-year-old classes and will be open for morning classes. The three-year-old class will be starting the year learning nursery rhymes and the four-year-old class will spend some time learning about the beach. The staff have been working hard to create a safe place for children to grow and learn this year at our preschool and are all excited to welcome the children back!

Sunday School at Home!

Spark Family Magazine

The fall issue of *Spark Family Magazine* appeared in your homes in late August. St. Paul's Church provides for this subscription to be sent to the home of families with children age 2 through grade 3. This will help in your faith journey with your children. While the magazine is written for younger children, those in grades 3-6 will enjoy learning by reading the stories from their own Bible and using some of the supplemental ideas which are included. Two stories included with this edition are: The Lord's Prayer and Solomon's Temple.

The Lord's Prayer

Explore together the Lord's Prayer through Old and New Testament Stories. If your child does not know the Lord's Prayer, this would be a great time to help them learn this important prayer.

Martin Luther wrote the Small Catechism in 1529 to assist parents in teaching the Christian Faith to their children. Lutherans in 2020 still confess and study these important words. In the 'Small Catechism', Luther includes sections on the Ten Commandments, The Apostles' Creed, The Lord's Prayer, The Sacrament of Holy Baptism, The Sacrament of Holy Communion, and the Office of the Keys (Confession). Click this link to see what Luther says. <http://catechism.cph.org/en/lords-prayer.html> (Document with Luther's explanations)

Borrow a copy of the *Spark Story Bible* (used in Sunday School) the next time you are at the church. Or read the stories in your *Paraclete Bible for Kids* which your child received during their preschool years. (Not all the stories are in this version however.) For older children, use a regular Bible to look up the story. **Matthew 6:5-15.**

Here are some additional ideas and discussions starters to do with your family as you explore this example that Jesus gave us on how to pray.

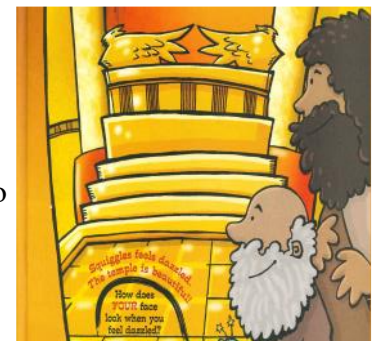

1. Discuss: Who are we talking to when we pray? The Lord's prayer begins with "Our Father." In prayer we talk to God. Is talking to God like talking to someone on the phone. What is the same? What is different? Call a friend or family member on the phone. Find out how they are doing. Tell them about your school day, what you had for dinner, or who you played with today. Ask them if they need anything and tell them that you will say a prayer for them!
2. Make a list of all the names for God that you can think of. Make a collage of pictures and words to demonstrate the names for God.
3. The Spark Story Bible story which begins on page 278, uses the new version of the Lord's Prayer (Luke 11:1-13) instead of the Old English version (Matthew 6: . How is it the same and different? Which one do you like better and why?

Solomon Builds a Temple

Solomon Builds a Temple is the second story in this issue. Stories can be found in the Spark Bible on page 136 and the Paraclete Bible on page 13 and in the book of 1 Kings 6 of a regular Bible. Solomon was the son of King David and followed as king after his father. He was known as a very wise king and he is also known for building the temple in Jerusalem. This Temple was to be a Holy Place where God resided. Here are a few ideas to enrich the story. (Go to the church website for ease of connecting to these links.)

Read further about the temple that Solomon built. Interesting facts

<https://www.bing.com/videos/search?q=kings+somonos+temple+for+children&&view=detail&mid=4AC2CA2FD77D0A94D9FC4AC2CA2FD77D0A94D9FC&&FORM=VDRVRV>

1. Discuss what does Holy mean? How are we to keep God's name Holy?
2. Get out your toy blocks or other building materials (scraps of wood, empty food boxes) and try building your own temple. Solomon
3. Watch this video and try to sing along! Can you also add the hand movements?

<https://www.bing.com/videos/search?q=children+singing+of+the+lords+prayer&ru=%2fvideos%2fsearch%3fq%3dchildren%2520singing%2520of%2520the%2520lords%2520prayer%26qs%3dn%26form%3dQVR%26sp%3d-1%26pq%3dchildren%2520singing%2520of%2520the%2520lords%2520prayer%26sc%3d2-36%26sk%3d%26cvid%3d2F34DBE9416344DF8F21DA5D5B37EDD2&view=detail&mid=06517B85AF258EDA243406517B85AF258EDA2434&&FORM=VDRVSR>

Wednesday Bible Study @ 10:30 AM

Studying the scriptures together deepens our knowledge of the biblical content, renews faith and draws us closer together as a community of Christ. We will be studying the Old Testament reading and gospel reading for the upcoming Sunday morning. In the month of October our discussion will include Old Testament texts of Isaiah, Ezekiel, and Jeremiah; and gospel texts in Matthew, Luke and John. The group will gather in Christ Hall. We will practice physical distancing allowing ample space between participants. The sound system in Christ Hall will be utilized so that everyone should be able to hear even if positioned further from the leader. The sessions will be 45 minutes in length so please make every effort to arrive promptly.

Personal and Family Devotional ideas during these challenging times. Did you know that our Lutheran Book of Worship has more than hymns inside? Some of the other resources include, Psalms, prayers for many occasions and, special prayer services. Spark Story Bibles (used in Sunday School by our children) are also available. Stop by the Good Shepherd Room to borrow a worship book and or a Children's Bible that you can use at home.

Christian Education this Fall

Growing in our faith is important in our lives as Christians. Currently, being together in large groups to learn, share and grow is not advisable. The Christian Education Committee and church staff are planning education to be held at other times.

Monday	ZOOM with Pastor McKee
Tuesday	Confirmation Class with Pastor Reep and Miss Kelly
Wednesday	Bible Study with Pastor Reep

Discussions on the Letters to the Phillipians
Four Monday evenings at 7:00 PM via ZOOM
October 5, 12.

Join Pastor Tom McKee in conversations on Paul's letters to the church in Philippi! St. Paul wrote letters to the Christians in Philippi to encourage them to keep the faith during difficult times. We will read part of a chapter each week. Pastor McKee will give some historical background. Participants will be invited to share what stands out to them and then reflect on what this means for their lives. This class will meet via Zoom. Please contact the church office to be provided with the link to the weekly study.

**Adult
Faith
Formation**

St. Luke Healing Service Sunday October 18

For the Healing of the Nations is the theme for this year's St. Luke liturgy. The theme is derived from Revelation 22: *Then the angel showed me the river of the water of life, bright as crystal, flowing from the throne of God and of the Lamb through the middle of the street of the city. On either side of the river is the tree of life with its twelve kinds of fruit, producing its fruit each month; and the leaves of the tree are for the healing of the nations.* Imagine such a scene with the crystal river, the tree perpetually bearing fruit, and the leaves that never fade, fall, or wither, this may be tasking for our mind's eye.

The nations certainly need the kind of healing that God alone can give. The nations certainly need perpetual food in order to feed the inhabitants of the land. The nations certainly need healing; the kind of healing that doesn't fade, fall, or wither. St. Luke has been associated with the art of healing. This year we will not be receiving individual laying on of hands and anointing, but rather we will be gathering in prayer for the healing of the nations. The children on Tuesday evenings with Miss Kelly are preparing a visual depiction of a tree with leaves of healing that will be displayed on the glass wall between the church nave and narthex. The children are creating leaves of healing. Together we will offer prayers for healing; in our lives, families, neighborhoods, community and world.

Reformation Sunday October 25

Our Reformation liturgy will begin with a Thanksgiving for Baptism. As we recall our reformation history and the theology that gives shape to it, Holy Baptism has a central place. During this pandemic we have needed to adjust worship practices. The font has been dry, covered, and mostly out of reach for worshipers as they come into the church nave. Baptisms due to COVID-19 have been postponed in our parish community. However our remembrance of Holy Baptism and our thankfulness for it can truly be celebrated! As part of the liturgy we will recite what Martin Luther referred to as the "Flood Prayer." In the prayer we remember how God saved Noah and his family. We remember how God saved us through the death and resurrection of his Son, Christ Jesus. We remember how we are united through the Holy Spirit and how God opens to us the joy and freedom of everlasting life. With so much of our current existence limited, or reduced, or adjusted, because of a global pandemic, it is fitting that we give thanks for the unlimited, full and everlasting promises of God made to us in Holy Baptism.

Music Notes

Cantors are needed to help lead both 8:00am and 10:30am liturgies. Please notify Pastor or Victor if you are willing and able to sing. Thank you.

Several of the Chancel Choir members and Handbell ringers will be performing music during the 10:30am indoor worship services during October.

The church pianos located in the Sanctuary and Music Room have now been upgraded with new climate control systems. The systems protect pianos from damaging effects of environmental changes and will provide greater tuning stability. This is especially important since our building has too much humidity at certain times of the year.

The organ console is currently undergoing minor repairs after having some failing circuitry problems. In addition, minor enhancements are being added to render a few additional voices.

Cataloging the Music Library

We received a response from Jim Flinchbaugh who will be helping with cataloging! Thank you.

Council Highlights

The congregation Council met for their regular meeting on Monday September 14 at 7:00 PM in Christ Hall. The meeting included a Zoom link to achieve the greatest council participation. The meeting began with devotions and prayer led by President Ericson. The parable of the Good Samaritan was read. Tristan connected the parable to the current changes in society stemming from the death of George Floyd. He stressed the importance of listening to a brother or sister in Christ and learning something of their story.

The Treasurer's report from Peter O'Connor was received. It reflected three important aspects of our financial life together. First, Envelope income remains above budget. Second, the 2019 audit is finished. Recommendations will be shared at a later date. Third, On September 8, 2020 St. Paul's entered into a mortgage agreement and loan with Fulton Bank for \$2,250,000 that will pay off the construction loan with York Traditions Bank. The agreement is a 20 Year amortization with a 7 year locked interest rate of 3.6%. The monthly payment is \$13,225.02. The rate after 7 years is a floating rate of 0.25% under the index of Fulton Bank, N.A. Prime Rate or we can enter into another fixed rate loan based on interest rates at that time.

The data from the cottage meetings was presented in a Pastoral Summary. Council members will discern aspects of the report that will give shape and direction to our ministry. The content of the report will be shared at the annual meeting on November 15.

The Council approved a request from the Mpoguso Committee to participate in an appeal in support of the Mpoguso Lutheran Church building expansion. Gifts should be directed to St. Paul's Lutheran Church and clearly marked "Mpoguso Appeal".

A council retreat will be held outdoors and hosted by the Ericson's on Sunday October 4 @ 2:00 PM. The rain date is Sunday October 11.

The Annual Meeting of the congregation remains scheduled for Sunday November 15. More details will be provided in the November *Our Church* and in the Sunday bulletin.

The council approved the return of both the Scout Troup and AA Fellowship groups provided they comply with the Church Guidelines during COVID-19.

The Nominating Committee is being co-chaired by Tony Culp and Harold Sargeant.

We will continue to hold the 8:00 AM liturgy outdoors on Sunday morning until participation reflects a need to move indoors. Consideration is being given to add a 5:00 PM Sunday evening liturgy during the winter months to allow for the physical distancing of congregants in our church nave. Such an addition would provide a Sunday Worship schedule of 8:00 AM, 10:30 AM, and 5:00 PM.

The Preschool opened on Monday. The new procedures put in places for COVID-19 seem to have worked well on the first day of the school year.

The meeting concluded with prayer.

Respectfully submitted, Pastor Reep

Up – coming Events

Healing Service – Sunday, October 18 @ 10:30 AM "Leaves for the Healing of the Nation"

Reformation – Sunday, October 25 @ 8:00 & 10:30 AM church nave

All Saints – Sunday, November 1 @ 10:30 AM Self portraits of saints by our children.

Annual Meeting – Sunday, November 15 (time and location to be announced)

Christ the King – Sunday, November 22 @ 8:00 & 10:30 AM church nave

Please remember to notify Pastor Reep of any life events, illnesses, joys or concerns. Call the office 717-843-8155 or email st.paulsyork@comcast.net

Tuesday Evening Ministry—All Ages!

Because of Covid-19 and the uncertainty of coming inside the church building, Create, the Tuesday evening youth and family ministry night will now be held as video sessions.

Ms. Kelly will make 3 videos with craft and art projects based on 3 themes for fall, leaves to place on a tree for the healing of the nations, self-portraits for All Saints Sunday and crowns for Christ the King Sunday.

Victor will create 3 videos using household and kitchen items as percussion instruments to create rhythms with texts and words from scriptures and psalms.

Each of our videos will be sent out on Tuesdays as emails to our families and they will also be made available to view on our church website.

Finally, we will create a Gingerbread Nativity video with Christmas music. Gingerbread kits will be available for families to take home on Sundays, November 15, 22 & 29. Please call or email Ms. Kelly by November 1 as to how many kits you need for your household.

Pastor Reep, Ms Kelly and Victor are working to create the safest way to reach as many children and to have them stay involved from the safety of their own homes. Thank you for your support and understanding.

October 6 & 13

For the Healing of the Nations – All ages Miss Kelly will guide you in creating leaves to be placed on our tree “for the healing of the nations” based on the Revelation 22 text. The tree with the leaves that you make will be featured on Sunday October 18 in conjunction with the St. Luke Healing service.

Keep the Beat – All ages With a bucket, pot or pan and a wooden spoon from your kitchen, Victor will lead you in making music.

October 20 & 27

All Saints & Sinners – All ages Victor will teach the children a percussive piece with their pots and pans.

All Saints & Sinners - All ages Miss Kelly will teach you how to create a blind contour self-portrait, this will provide a creative release as you discover new things about how you appear.

November 10 & 17,

Crowns for the King – All ages Follow along with Miss Kelly in Making glorious crowns that you can wear or place around the cross for Christ the King Sunday, November 15

A Royal Beat – All ages Join Victor in making music that is fit for King Jesus!

December 1

Family Gingerbread Nativity – Everything needed to construct a gingerbread nativity scene will be provided. All you have to do is preregister and pick up your supplies at church on November 15, 22, or 29. You will get an email from Victor and Kelly that you can follow to have an enjoyable time with your family making a sweet delicious scene based on God’s sweet love for us.

Autumn brings cooler temperatures, a day out of the house for a drive through the hills/countryside to see the fall foliage, and a Witness Committee

55+ special event. This year we are putting together a special Care Package to go out to those who would have attended the Fall Luncheon. You will receive a phone call to set up a delivery time sometime in October. We look forward to seeing you soon!
