

Birds feel at home in trees. God's people feel at home in church.

Find things that you see at home and at church.

Pentecost 3

- Today is the **3rd Sunday** after Pentecost.
- The season after Pentecost is a season to learn about **growing**.
- God plants **faith** in us.
- Our faith can **grow** during the season after Pentecost.

Pretend you are a bird. Circle things that you could use to build a nest.

It starts small, but the tiny seed grows into something great!

Help these animals find their homes.
