Mpuguso Mission Trip 2024

Planning continues for the St. Paul's mission trip to Tanzania to visit and share with our sisters and brothers at Mpuguso Lutheran Church. Deposits were made on May 23 for those who are committed to making the long journey. The group of travelers from St. Paul's is diverse spanning 7 decades in the ages of participants. Pastor Reep while on sabbatical continues to work out details honing the itinerary to maximize the time in Tanzania as we build relationships, explore the beauty of God's creation, and expand our understandings of mission, partnership, love, and grace. Please continue to pray for those planning to travel that they will remain healthy and strong, pray for our sister congregation as they work to complete their church building and continue to make disciples through Holy Baptism, and pray for peace in the world. (For those planning to travel to Tanzania that the payments need to be made on or near the 23rd of each month and that they need to be clearly identified as payment for mission trip.)

Desserts in support of Mission

The elegant bake sale for Mother's Day was an incredible success. Thank you to everyone who prepared desserts, helped with the setup, worked at the tables helping people identify the perfect dessert to take home for Mother's Day, all who made financial donations, and those who cleaned up afterward. The proceeds from this event will be used to commission chancel furnishings for our sister congregation. The goal is to provide a new pulpit for their new church as a gift from St. Paul's Lutheran Church in York to the Mpuguso Lutheran Church, Tukuyu, Tanzania. The event yielded over \$1,200! The Mpuguso Committee has also made application to the Benevolence Fund to match the total raised for this purpose. Soon we will identify a local artisan/woodworker in or around Tukuyu to design and build the pulpit. We will provide drawings and images in a future issue of *Our Church*. Once again thank you.

For St. Paul's Recycler's – Recycling Opportunities

I don't know about you, but I am a big time recycler in trying to help save our planet, God's creation, for our children and our grandchildren. I am my mother's child and I am a member of the Garden Club of York and we discuss ways we can recycle items/garbage we have in our homes at our meetings. I have listed some of the ones I know about:

York is very fortunate to have a state-of-the-art recycling facility, CRDC Global located at 390 N. Eberts Lane, York that converts your plastics into Resin8 (trademark) which is used to build homes, commercial buildings, and roads. Resin 8 is a mulch-like material that is used as an aggregate in concrete to strengthen it. CRDC Global originated in Costa Rica and I believe York is the only place in the United States at this time with a facility. CRDC Global accepts plastics number 1 through 7, Styrofoam, plastic bags, plastic bottles, potato chip packets, straws, bottle caps, plastic cups and plates, etc. Plastic things that can't go into your curbside recycle bin. **IMPORTANT: THEY TAKE ONLY CLEAN PLASTIC.** If other things cans, glass, metal, food/garbage gets put in the bags, it would contaminate the finished product and damage their equipment. At this time, they have green bags available to place your plastic in at the Eberts Lane location between the hours of 8:00 a.m. and 4:00 p.m. There are bins available at their location on Eberts Lane to place your filled bags 24-7. I will be posting their flyer with a sample green bag on the Springettsbury Bulletin Board. Their website presentation and information is online and worth watching. Just do a search on CRDC Global. If you are interested and have any questions, please contact me.

We also have Continental Paper Grading at 3350 Concord Road which accepts: Group A – Various Papers: Office paper, junk mail, newspapers, magazines, catalogues, shredded paper (in paper or plastic bags). Group B – Paperboard: cereal boxes, tissue boxes, boxes from cake mix, jello, toothpaste, etc., cardboard egg cartons – no Styrofoam. They also accept corrugated cardboard. Group C – Books: Separate hard cover from soft cover. Group A, B, and C must be separated and placed in the appropriate bins. Right now the paper must be dropped off between 8:00 a.m. and 4:00 p.m.

Lifepath Christian Ministries (4 locations: 363 W Market St, 2414 Eastern Boulevard, 241 Pauline Drive, York and on Lombard Road in Red Lion) – Lifepath takes gently used clothes, toys, seasonal decorations, home goods, books, furniture to sell in their thrift stores and St. Paul's benefits from your donations by sending gift cards to the church for Pastor Reep to give to people in need to shop in the Lifepath Thrift Stores. You need to specify to the person accepting the donation that you would like St. Paul's, Springettsbury Avenue to receive credit for the donation. Information is on St. Paul's Webpage or online.

CSR (Consolidated Scrap Resources, Inc.), 120 Hokes Mill Road, York 17404 has a bin in their parking lot that collects magazines and catalogs (shiny papers) and the money received for the magazines and catalogs goes to the Ronald McDonald House Charities supporting families around the world and helping them access the medical care and resources they need. Their gate is open weekdays from 8:00 a.m. – 4:00 p.m.

Members 1st Credit Union on White Street accepts pull tabs from soda/beer cans and that money also goes to the Ronald McDonald House Charities.

If you have any questions about any of these organizations and what they collect, please don't hesitate to contact me.

Social Ministry

Serrv – At the conclusion of the April Serrv sale in which gift items designed by artisans and farmers worldwide were offered, few items remained unsold. The result was we more than broke even, allowing for a modest amount, \$6.50, to be designated for Lutheran World Relief (LWR). We expect to offer the remaining items for sale in the future with those proceeds also to be sent to LWR. Thank you to all who made purchases.

Jackson Elementary School – Collections for summer activities, personal hygiene items, and household cleaning products were gathered and delivered to the school on May 16th. The school is always grateful for St. Paul's generosity.

Food Pantry Backpacks – The Benevolence Committee approved a \$1,300 grant for the purchase of 125 backpacks and supplies for the children of Food Pantry clients. We expect to fill the backpacks on Sunday, July 30th, following the worship service. Please mark your calendars if you can volunteer.

SpiriTrust – Thank you to everyone who purchased geraniums to raise money for the SpiriTrust Auxiliary. Our efforts raised just over \$3,000. Jennifer Ports, chairperson, gives special thanks to Jim Mummert and Jeff Riese for their help during both the process and the day of delivery.

Newly Baptized Clara Wynifred Ferrell with proud parents,
Jerry Ferrell and Brittany Vaught. Welcome!

Witness Committee News

What generation are you?

Greatest Generation (1901-1927) lived through the Great Depression, went off to World War II, grew victory gardens for their families, then contributed to one of the most economically prosperous times in American History. They are lauded for their abilities to adapt and thrive in crisis and for leaving the world better than they found it.

Silent Generation (1928-1945) known as traditionalists, were small in number due to low birthrates in the 20's and 30's and were generally raised as kids to be seen and not heard. They also survived the Great Depression and were born during periods of war. Largely better educated than their parents, longed for a secure job and quiet, idyllic life.

Early Baby Boomers: teens of the 60's - (1946-1954) born following World War II. There are millions of Baby Boomers/Generation Jones'. Known for their post-World War II optimism, were largely shaped by the Cold War, Vietnam War and Civil Rights, hippie and yuppie movements. They were inspired by the changing role of women. They idolized, followed and fought for the likes of Martin Luther King, Jr., Gloria Steinham, and JFK. Boomers have the highest divorce rate, second-highest marriage rate. They are regarded as driven, especially financially.

Generation Jones: teens of the 70's - (1955-1964)- this generation would formerly have been classed as either Baby Boomers for the oldest members or as Generation X for the youngest members. More homes were being forced into having two working parents due to the economy and job availability. When Generation Jones went to school, there weren't enough desks or books in the classroom because the school system wasn't ready for this large cohort. The economy took a nose-dive, fuel prices spiked, the oil embargo impacted the nation, and job opportunities shrunk. Generation Jones had to become more independent and learn to fight for their future and quickly understood that nothing would be handed to them and they had to work hard to keep their jobs.

Generation X (1965-1980) often referred to as a forgotten generation. They had the highest rate of divorced parents, are more focused on work-life balance than their workaholic Boomer/Generations Jones parents. They were often "latch-key kids". Generation X is largely entrepreneurial and one of the last generations not to be saddled with student loan debt.

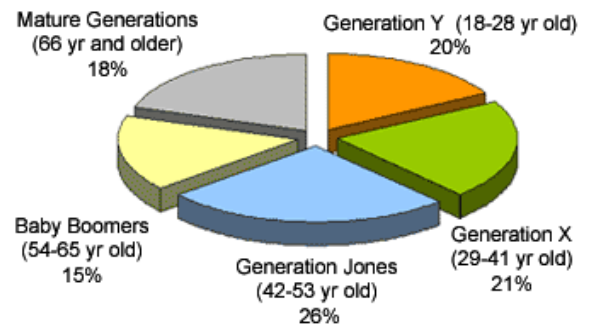

Millennials (1981-1995) have been called out for technology addiction and alleged narcissism. Also known as Generation Y, have lived through two major recessions, countless mass shootings, racial and civil unrest, 9/11 and wars in Iraq and Afghanistan.

Generation Z (1996-2015) the first truly digital native generation. Many receiving their first phone before 11 years old and more social media-savvy than their millennial peers. Generation Z are more aware of social justice and political issues largely due to heavy social media.

Just a bit of trivia! All generations are represented at St. Paul's. No matter what generation you were born in, embrace your age & find strength in it with God and your St. Paul's church family by your side.

We, at St. Paul's, have 50 members from the Greatest and Silent Generations. Of those 50 members, we have 30 who come and worship with us every week and 20 who aren't able to attend for various reasons. Starting in June, the Witness Committee will be sending out birthday cards to these members and planning a visit with the members who aren't able to come to church during their birthday month. We want them to know that we are thinking of them and missing those who are unable to attend. We will be referring to our Greatest and Silent Generation members as our "Vintage" members (a group or collection of people or things sharing certain characteristics; and in this case, length of existence, age) in the newsletter. Each month we will recognize our "Vintage" members who are having a birthday that month. If any individual would like to send cards, you can pick up an address listing from Patee or if you see that person in church, introduce yourself and chat with them. They like to reminisce.

We would love if our "Vintage" birthdays would share pictures from their youth. All pictures will be scanned in and returned to you. Pictures can be given to Patee or Earline Jones.

2023 Calendars

Please take calendars with you to use as an evangelism tool to assist you in talking about the Lord, Christ Jesus, and the ministry that is carried out in his name through our congregation. This is a fabulous tool to assist you with talking about faith and life with neighbors and friends. With the calendar in hand you can easily talk about the desire to provide a canopy to provide protection from sun, rain and snow! And invite people to attend the Harvest Dinner and auction, September 30, 2023, where, if they like, they can bid on the original artwork! Our neighbors, who come to St. Paul's shopping for food without money (just like the prophet proclaims) are appreciative of all that we do as we provide for them during their time of need. What is important is for us to tell the story of how we are doing what Jesus commands, feeding the hungry.

Rower's Picnic

From Bread and Wine to Bountiful Giving

The Stewardship Committee has been at work for several months planning the 2023 stewardship campaign for the congregation. The theme centers our sense of stewardship in the Eucharist and the generosity of God to us through his Son, Christ Jesus. We will emphasize stewardship during the month of October and will culminate the appeal on October 22. Our guest preacher for the day will be the Rev. Beth Martini, Assistant to the Bishop, Lower Susquehanna Synod. We are delighted that she can be with us to preach at both the 8:00 AM and 10:30 AM liturgies. A Celebration Brunch will

follow the 8:00 AM liturgy in Christ Hall, and a Celebration Luncheon will follow the 10:30 AM liturgy in Fellowship Hall. We ask you to mark your calendar now and plan to be present as we move from bread and wine to bountiful giving.

Congregation Council Highlights

The Council met for their regular meeting on May 8th in the Good Shephard Room at 7:00 PM.

The meeting was called to order and Nicki Herdson opened the meeting with prayers and devotion.

Both the agenda and the prior month's minutes were approved.

President, Ann Anstadt, accepted the resignation of Peter O'Connor and thanked him for his years of dedicated service in the position of Treasurer.

Peter O'Connor presented a financial report and commented on the strength of giving and our ability to meet our financial obligations.

Pastor's Report included that in 2024 the preschool will celebrate its 60th anniversary. Additionally, three of our young people were confirmed. Congratulations to Anna Herdson, Maxwell Jacobs and Jaclyn Kinkella

Bring Dad to Dinner

It is the month of Father's Day and the conundrum that often accompanies it, what to do for dad this year? The Harvest Dinner Committee suggests purchasing a ticket for the September 30th Harvest Dinner and Auction. You can reserve an entire table and gather as a family to celebrate "Dad."

You could also make a voucher letting dad know that you would spot him up to a certain dollar amount toward one of the many silent auction items or towards one of original paintings by Pastor Reep. The important thing is that tickets are now available through the church office. Call to reserve your tickets now. Ticket cost remains \$100.

Thank you for the overwhelming support, prayers, and cards that we received from our church family during a very difficult time. A special thanks to Linda Hanson and the Fellowship committee for providing the lovely luncheon following Dad's service.
Yours in Christ, The Riese's

To All the Children & Youth Ministry of St. Paul's,
Thank you for the beautiful drawing of the "Cross of Christ" during this Easter celebration., blessings sent to me by Addison H. What a wonderful picture to represent our Jesus the Savior. Thank you all children of God, for your blessings. It brought joy to my heart. God bless all of you.
Your friend, Shirley Haugh

The current budget of the Auxiliary includes \$5000 for the benevolence fund of residents who are unable to pay in full and \$8000 for resident activities at the home.

Checks are payable to "Auxiliary to SpiriTrust Lutheran" and should be sent to Jim Mummert, 770 Plymouth Rd. York, PA 17402. Volunteer Opportunity

Counters Wanted: Be part of one of the teams of four that count Sunday offering on Tuesday Mornings at 8:30 am. Training will be provided.

St. Paul's needs additional counters for count teams. Ideally counters serve one Tuesday per month. Counting normally takes one to one and a half hours. Two members of the team then take the money to the bank for deposit. There is a clear procedure followed with everything being double counted with results compared to prevent errors.

If you would prefer to make a lesser commitment, you can volunteer to be part of the substitute list. For additional information call Dottie Moore 717-741-1321 or Bob Reed 717-654-3421.

Please prayerfully consider helping out in this important ministry. God's work. Our hands.

A Partnership Between Local Churches & LifePath Thrift Stores

Please remember to donate your no longer needed items to LifePath Thrift Stores. The stores then return a portion of the value of these items in the form of gift cards to your church to help those directly in your care.

How Does the Partnership Work?

Individuals or families donate their gently used items to LifePath Thrift Stores (formerly York Rescue Mission). Three locations: 2414 Eastern Boulevard, 283 West Market Street, and 241 Pauline Drive.

The LifePath Thrift Stores employee serving them will ask the name of their church. (St. Paul's Lutheran Church, 25 W Springettsbury Ave, York). We need to be specific as there are multiple St. Paul's Lutheran Churches.

Donors are still able to take advantage of the tax-deduction with every gift to LifePath Thrift Stores. St. Paul's is signed up to partner with LifePath. Please keep LifePath in mind when you are cleaning out/ decluttering. Visit LifePathYork.org for additional information.

Blessings for Travelers

O God, whose glory fills the whole creation,
and whose presence we find wherever we go:
Preserve *us/those* who travel:
surround *us/them* with your loving care;
protect *us/them* from every danger;
and bring *us/them* in safety to *our/their* journey's end;
through Jesus Christ our Lord.

Amen.

[Adapted from the prayer for travelers in Prayers and Thanksgivings,
The Book of Common Prayer (1979 edition).]

O God,
our beginning and our end,
you kept Abraham and Sarah in safety
throughout the days of their pilgrimage,
you led the children of Israel through the midst of the sea,
and by a star you led the magi to the infant Jesus.
Protect and guide us now as we set out to travel.
Make our ways safe and our homecomings joyful,
and bring us at last to our heavenly home,
where you dwell in glory with our Lord Jesus Christ
and the life-giving Holy Spirit,
one God, now and forever.

Amen.

New Entrance Sign to Grace Springettsbury Avenue

A new sign demarking 25 W. Springettsbury Ave. Entrance will soon be placed in the lintel of the porch facing Springettsbury Ave. The entrance, that since the renovation permits everyone to enter freely without obstacle of stairs or awkward railings bumping your elbows, will give clear direction to guests and visitors that this is often the preferred entrance for community events, concerts, and worship. We extend our thanks to Dave Kopp, the Property Committee, and to the many folks who provided the helpful suggestion.

Ways for parents to keep the promises made at their child's Baptism "I promise to faithfully bring them to the services of God's house, teach them the Lord's Prayer, the Creed, and the Ten Commandments. Place in their hands the Holy Scriptures and provide for their instruction in the Christian faith, that, living in the covenant of their Baptism and in communion with the Church, they may lead a godly life until the day of Jesus Christ."

Use the new issue of Spark Family Magazine for the summer months that should have just arrived in your homes. This is a magazine for children ages 3-grade 3 that St. Paul's pays to mail directly to your homes. There are wonderful ideas on how to learn, explore and grow together as a Christian family. Check it out. If you do not currently receive this magazine but would like to, please call the church office.

Come to Worship when you are in town and enjoy the children's sermons that are being prepared by different volunteers throughout the summer. (Or watch online when you are traveling!)

Use the children's activity pages provided in the basket where you pick up your bulletin (and sent to your email). During these summer months, when we take a break from Sunday morning classes, these pages can help spark conversations with your family about faith. They refer to the same Bible readings that we are hearing in church each Sunday.

Enjoy fellowship and food together following church every Sunday. Welcome visitors and invite them to join for fellowship and food.

Volunteer to help in the food pantry as a family. Contact Patty Snyder for information.

Join us for a picnic adventure at a different County Park each month. Each family is asked to bring their own picnic dinner to enjoy as we gather. The evening will include a story, family activity, camp songs and fellowship with their friends. All Pavilions are located close to the park playground so your children can enjoy time playing with their friends. Restrooms and parking are located within walking distance. Please let us know each month if your family is planning on attending, so we can plan appropriately and can let you know if the picnic is cancelled due to inclement weather.

Mrs. Jones and Miss Kelly

May was a busy but fun month for the Preschool. The preschool staff was treated to a luncheon, flowers and gift card for Teacher Appreciation Week from the Preschool Parent Group. We would like to extend our gratitude for the special recognition. We would also like to express our thanks and appreciation to the parents and members of the congregation who participated in the sandwich fundraiser. The fundraiser was a huge success and the preschool raised over \$750 for the children.

Another highlight during the month was our combined Preschool program. The parents and families filled the church and the children enjoyed singing their classroom songs. A special "Thank You" to Pastor Reep who led the students in their Chapel songs and prayers.

We are still accepting registrations and the staff is eagerly preparing for the 2023-2024 school year.

The Preschool Staff would like to thank all of the staff and volunteers who have supported the Preschool ministry. We wish you a happy, safe and healthy summer.

2023 Flower Chart

The 2023 flower chart is posted on the Springettsbury vestibule bulletin board. The cost of the flowers is **\$35 per vase**. You are welcome to sign up to provide one or both vases. After you have signed up, simply make a check payable to St. Paul's Lutheran Church and mark it altar flowers. This is a great way to honor someone, celebrate a milestone in life, or remember a loved one. The flowers may be taken home with you at the conclusion of the last liturgy or you may have them given to someone who is sick, shut in, or hospitalized. If you wish, you can contact the office to reserve a date, and to provide us with all of the correct information for inclusion in the Sunday bulletin.

Items needed: PEANUT BUTTER, Tuna, canned fruit, rice, beans, tomato sauce, pasta, mashed potato mix. We also need paper grocery bags with handles and plastic bags. Money donations are gratefully accepted. Please place cash or check in a “special” envelope marked “Pantry”.

Volunteers are needed Tuesday mornings to help our neighbors shop. This is especially needed during the summer months. Middle school, Highschool and college students are welcome! Call Teresa Rohrbaugh or the church office (717-843-8155) to volunteer.

Please remember to notify Pastor Reep of any life events, illnesses, joys or concerns.

Ukraine Offering

Offerings to give aid to Ukrainian refugees, orphans, widows and humanitarian help can be given through St. Paul's website www.stpaulsyork.org by selecting the designated button or through our pew envelopes marking them “Ukraine”.

Pantry News: Volunteers in the pantry wrote to their legislators in May to request an **increase in funds** for the **State Food Purchasing Program**, which is the main source of food for our pantry. Momentum for this project stemmed from several St. Paul's members who joined with more than 120 Lutherans across Pennsylvania for Lutheran Day at the Capital. Watch for news regarding this fund as legislators deliberate and vote on the state budget in Harrisburg.
