“Thank You” Dinner Wednesday, October 7, 5:30 PM Fellowship Hall

Thank you for your faithfulness in supporting the life of the congregation with your time, talent and treasure. This year we have witnessed an increase in giving of time and talent. The summer months especially highlighted this as we were supported in our liturgy and hymns by members of all ages! The wide range of instruments and voices used in leading worship reflected a deep commitment to our Lord and to the

importance of Sunday worship. We are also appreciative of the generosity of financial gifts given in support of our shared ministry, proclaiming God's love made known through Christ Jesus. The “Thank You” Dinner is just that, a shared meal, held in recognition of the importance of Christ and his Church in our lives. The hope in planning was that by providing a mid-week meal, it would ease the burden for families, singles, those working and those who are retired. We know firsthand how full weekend schedules are and how jam-packed Sunday morning and afternoons have become. So, please plan to attend. Reservation cards have been distributed each Sunday morning prior to the liturgy. It is not too late to respond. Simply call the church office or complete a reservation card on Sunday, October 4.

The “Thank You” Dinner features a menu for children and one for adults. Miss Kelly is coordinating the meal for the children, and the Men of St. Paul's are coordinating the meal for the adults. Given their track record both menus will be delicious. (For those who may remember the December St. Nicholas Wednesday evening dinner we prepared about three years ago, we are modelling this dinner on the supportive comments provided by congregants.) The meal will be served promptly at 5:30 PM. If you arrive late, do not worry, there will be plenty of time to eat during the entertainment portion. The skits will include; The Electric Slide, “An Angel Visits Edith” and “Another Weird Week”. 2027 Stewardship materials will be available to take home with you. The three parts; stepping up, time and ability form, and commitment card will accompany your 2027 offering envelope packets.

St. Luke Healing Service Sunday, October 18, 9:30 AM

On Sunday October 18th we will celebrate the Feast of St. Luke with a healing service. Those wishing may receive the laying on of hands and anointing with oil during the healing rite. This has proven to be a very meaningful liturgy for those who have participated in past years. Please use this opportunity to invite a friend or coworker with you. It is very clear how much we are in need of healing; in our lives, congregations, neighborhoods, nation, and world. Come and pray with us for healing and give thanks to God for the healing made known through his only Son, Christ Jesus.

Artwork by Congregants to Benefit Food Pantry Silent Auction

During the season of Lent about a dozen people gathered for a watercolor class. That experience was the catalyst for the Bastians hosting summer art sessions in their home. Now participants are donating their artwork for a silent auction to raise money to purchase food for the St. Paul's Food Pantry and to raise awareness of food insecurity in our neighborhood. The artwork will be on display in the church narthex beginning 11 October through 15 November, the day of the Annual Meeting. Artist information and bid sheets will be provided at that time. This is a good way to secure a holiday gift for a family member, friend or coworker, while supporting the ministry of the congregation.

Education for Adults, 10:45 AM Making Sense of Martin Luther

Worship and education are two basic components of the Christian life. And yet it is surprising how few people participate in any form of religious education. As we embark on an extended fall 9:30 AM worship schedule it seems fitting that we put forth as much attention to content and detail as we historically have done with our worship planning. Coming out of a summer where such attention brought us a renewed sense of who we are as God's people at this time and place, the Christian Education Committee has followed suit with their planning for the 10:45 AM Adult Sunday school component. We are Making Sense of Martin Luther using a book by David J. Lose. David prepared this study for the 500th anniversary of the Lutheran Reformation. As a faith community we come from many different backgrounds. Pastor Lose's book uses a conversational format to explore how Luther's dynamic understanding of God's life-changing gospel informs day-to-day faith and life in the world today. This approach should allow all of us to deepen our understanding of who Luther was and why his theological insights are relevant today.

4 October: The Ambidextrous God—The Two Kingdoms and God's Ongoing Work in the World

11 October: Called for Good—Vocation, Sinning Boldly, and the Respiratory System of the Body of Christ

18 October: God Hidden and Revealed—Luther's Theology of the Cross and the Sacraments

25 October: Semper Simul—Sin, Forgiveness, and "Becoming Christian"

Hopefully these themes will encourage you to include the 10:45 AM time of learning in your Sunday morning plans. Pastor Reep will lead the discussion each week in Christ Hall.

A Big Thank You!

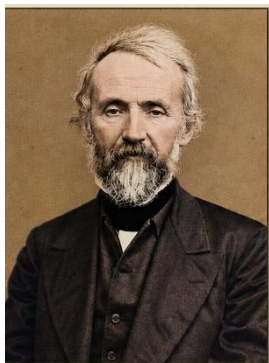

A big thank you to everyone who brought baked goods, fruit, vegetables, snack trays, sandwiches, and so many other delicious food items to our Summer Sunday refreshment table. It was a huge success! Every Sunday, there was a wonderful selection of delicious treats to enjoy and share.

Now that summer is over, we will continue to offer coffee and juice, along with a limited selection of baked goods, at 10:30 a.m., supplied by the Fellowship Committee. Please feel free to contribute to the refreshment table if you would like. We appreciate everyone who helps make this a welcoming time of fellowship and sharing!

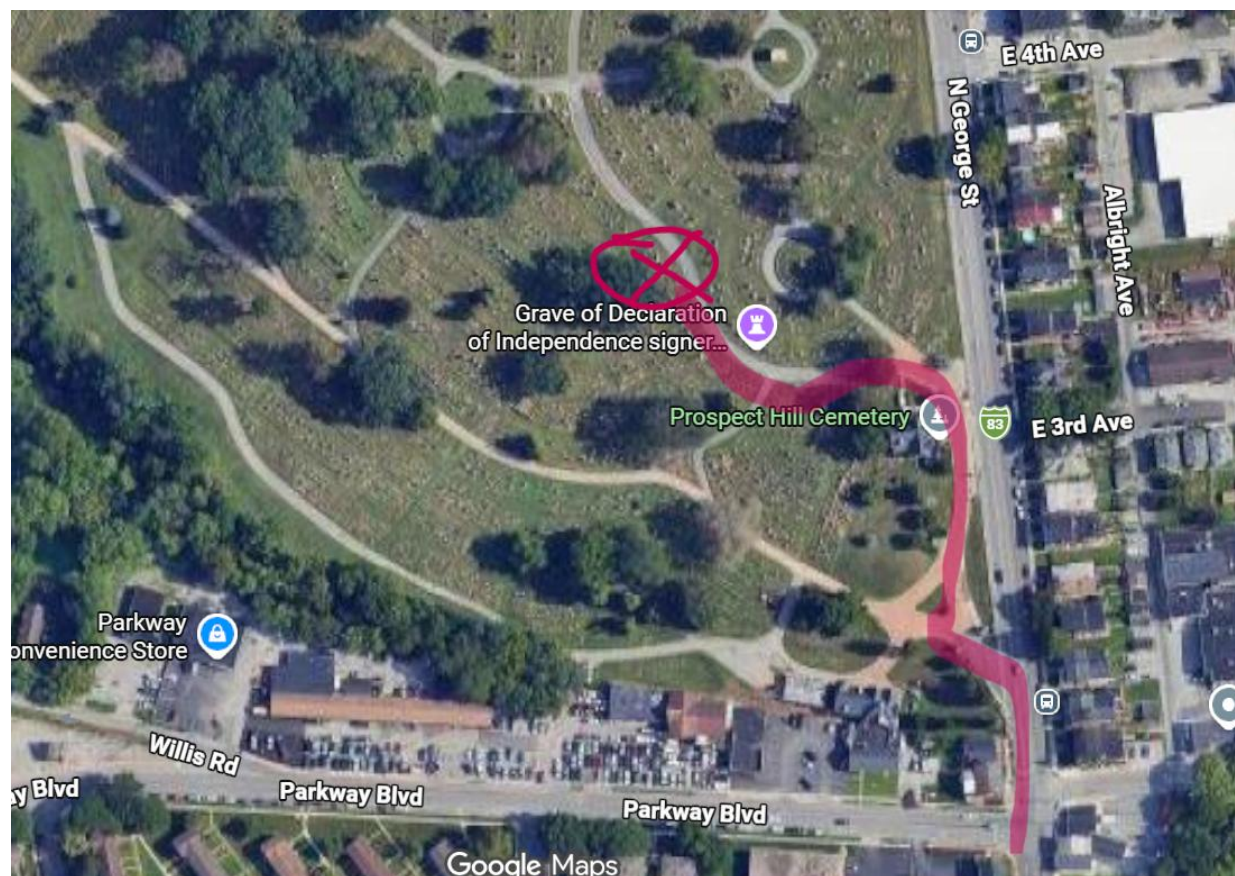

"Vintage" Members (80 and over) with birthdays in October are: Lynn Trout, Jim Flinchbaugh, Shirley Haugh, Carl Jacobs, and Bonnie Keeperts. Sending Happy Birthday wishes and hoping you have a happy and healthy year ahead from your family at St. Paul's.

Service of Blessing and Rededication, Cemetery Plot, Prospect Hill
The Reverend Jonathan Oswald,
Founding Pastor of St. Paul's Lutheran Church
October 11, 4:00 PM

200 years ago, the first Lutheran Theological Seminary in America was established in Gettysburg Pennsylvania. It Was established by Samuel Simon Schmucker. There were eight students. In 1829, three years after the seminary opened, Jonathan Oswald graduated from that institution and was ordained. Ten years after the seminary opened its doors for the education of Lutheran pastors in America, Pastor Oswald opened the doors of St. Paul's Lutheran Church. He served the young, English-speaking congregation faithfully. It was the first English language Lutheran congregation west of the Susquehanna. At that time most Lutheran congregations were conducting services in German. The need for an English language congregation was realized when St. Paul's was chartered in

February 1836. Pastor Oswald's work and life and ministry are carried forward by the faithful congregants and pastors of St. Paul's Church. Now in our 190th year, we take time to show respect, provide care, and give appropriate honor to our founding pastor. A team of St. Paul's members have worked throughout this calendar year in preparation of the Service of Blessing and Rededication of the cemetery plot at Prospect Hill Cemetery. You are invited to attend the service at Prospect Hill Cemetery on Sunday, October 11 at 4:00 PM. The service will be held rain or shine so please plan accordingly. You may wish to locate the cemetery plot on the map provided, or speak with Aaron Jacobs, chairperson of the rededication committee for directions. We extend our thanks and appreciation to Aaron and his committee for their vision, planning and work to bring us to this important day in the life of our faith community.

Education for Children, 10:45 AM, Sundays

Spark Activate Faith

A great start to another Sunday School year. We had a great turn out of adults, confirmands and children on our first week of Sunday School. We hope you will join us as we learn and grow in our Christian Faith. The students get to enjoy a snack, play games, read stories and work on crafts to remember the Bible stories. They are also working on memorizing Bible verses. We look forward to the weeks ahead and hope you can be with us.

The classes for children and youth are held on the lower level.

The following lessons will be presented this fall:

4 October: "Manna, Quail, and Water,"

Exodus 16:1-18, 17:1-7

11 October: "Deborah," Judges 4:1-5:31

18 October: "God calls Samuel," 1 Samuel 3:1-20

25 October: "David is Chosen," 1 Samuel 16:1-13

Hopefully these Bible stories will both encourage and inspire you to bring children for Faith Formation at 10:45 AM Sunday morning so that they can benefit from this time of learning.

Unpacking the Sunday Lectionary Readings

Two opportunities Tuesday 6:00 PM & Wednesday 10:30 AM

Do you ever wonder why certain readings are read on Sunday morning and how, if at all, they relate to one another? And do you consider how they relate to you and your life as a child of God? Questions such as these are at the heart of the scripture study opportunities offered at St. Paul's. For decades Pastor Reep has led just such a study on Wednesday mornings. Wednesday mornings work for one portion of the congregation but certainly not for everyone. Last year he experimented by offering a study on Tuesday evenings which coincided with the Children's ministry activities of music, craft and Bible story. This year the Tuesday evening study will be held beginning on 1 September from 6:00 – 7:00 PM. Mark your calendar or simply look at the one provided with this newsletter and plan to join with other members of our faith community by unpacking the readings assigned for the upcoming Sunday morning. Those who participate can't believe the impact it has when they come to worship.

Please remember to notify the church of any life events, illnesses, joys or concerns. Call the office 717-843-8155 or email st.paulsyork@comcast.net. Please be aware that due to HIPPA rules even though the hospital and medical institutions ask you what church you belong to when you are admitted they are unable to call Pastor Reep and Pastor Yeiser to notify them that you have been admitted! Please call or have a family member call to give this information to the office so that Pastor Reep and Pastor Yeiser can provide care. Thank you.

Calling all crocheters and knitters. Last November we gave out over 200 scarves to our pantry shoppers. It's time to start making scarves again for November 2026. The only suggestion is that scarves are about

4 ½ - 5 feet long and about 6 inches wide. When you finish a few scarves, put them in the pantry shopping cart in the Good Shepherd Room with your name on the bag. We extend our sincere thanks and appreciation to everyone who provided the amazing scarves. Let's see if we can surpass last year's number! This year the Blessing of the Scarves will be held on Sunday, November 8, prior to the distribution on November 10.

Music & Create

Age 3 through grade 6

Music and Create is an opportunity for our families with young children to engage in music and art while also having the opportunity to connect with other families. The program is designed for children ages 3 through grade 6. We split the children into two age groups, age 3 through grade 1 and grade 2 through grade 6.

During Create time the children and youth will use recycled bulletin covers, foil, tape and fabric to create sculptures of themselves, Mary, Joseph and the other figures and animals of the nativity. They will also build the town of Bethlehem from recycled cardboard boxes and materials as they imagine it. This project will be displayed during Advent.

During Music time the children will sing and play instruments as we build musical skills and create music together. Music and Create activities will help children and youth build relationships with one another.

Shine On!

The handbell choir recently gathered to polish the bells and beautify them for another year of ringing. The bells look and sound wonderful! We extend our thanks to Alexis Heistand, Scott Herdson, Drew Herdson, Gail Kerchner, Carolyn Kapoun, and Leah McComas who gave time and elbow grease to polish all 61 bells! Special thanks is owed to our bell-maintenance master, Gail Kerchner. Gail spent hours of time this summer disassembling, cleaning, fixing, and reassembling each bell. We are blessed to have her share her skills and knowledge to care for our congregation's handbells. Thank you, Gail! The preschool opened its door for the 2026-27 school year on Wednesday, September 9th. Excitement filled the hallways and classrooms with Nursery Rhymes in the 2 and 3 year old classes while the 4 year olds swam their way to the beach. Fun stories were read and cute songs were sung. During the first few weeks the children also learned about the school rules and how to play together and share.

In October, the Preschool is looking forward to seeing our local firemen with their firetrucks at school so that the children can learn all about fire safety. The children will also have school pictures taken, participate in a classroom Halloween Party and have fun with spooky crafts. The Parent Group will also be holding a Fall Festival complete with pumpkin decorating, games and delicious snacks.

The teachers and students are hoping to have a spooktacular fall and look forward to the exciting things that are to come!

Clothing Collection

St Paul's collects clothing for Union Lutheran Church's Clothing Ministry and your help is requested. Union collects 'gently used' clothing (and shoes) for its clothing closet and offers it free of charge to needy families in the York City community. A bin has been placed in the Good Shepherd room to collect any clothing you would like to donate. These donations will surely be a blessing to our neighbors. Union's volunteers are very appreciative of our cooperation and our help. If you have large donations you may take them directly to Union Lutheran Church. Simply call them to arrange a time.

St. Paul's School Ministry Update 2026-2027

Thank you to all who contributed to our August collection for the Bearcat Cyber Academy, which is nearby just off W. College. The Social Ministries team delivered an assortment of personal hygiene items as well as household cleaning products along with Dollar General gift cards. Our donations help provide tangible support when needed for both the students and their families. The Bearcats' social worker has expressed deep gratitude for our response.

Again this school year we are collaborating with Jackson Elementary's counselor, social worker, and psychologist. As we anticipate an upcoming planning meeting with these staff members, we are preparing to host another Student of the Month Ice Cream Social at Jackson in early October. It's a privilege to interact with kids in this special way, one more way to put God's love into action.

If you have interest in serving in this school ministry, you may contact Nancy Bennett or the Church Office.

St. Paul's Food Pantry Needs: White Rice, Cereal, plastic and paper shopping bags. Monetary donations can be placed in a special envelope marked "Pantry". Contact Teresa Rohrbaugh to volunteer for Tuesday distribution days. Contact Patty Snyder to volunteer for Thursday delivery days or Sunday stocking days or contact the church office. Thank you to all who help!

Nominating Committee

The Nominating Committee's work is to secure a slate of nominations for positions of leadership in the congregation. The positions are for Congregation Council (3 to 5), Mutual Ministry (2), Benevolence Committee (1) and voting members for Synod Assembly (3+alternate). Their work began in late summer and continues until elections are held at the Annual Meeting on 15 November. The Nominating Committee members are Ann Anstadt, Keith Kates and Carol Woodbury. If you are interested in serving the congregation through one of these areas of ministry, please contact a member of the Nominating Committee.

2026 Flower Chart

The 2026 flower chart is posted on the Springettsbury vestibule bulletin board. The cost of the flowers has increased slightly and is currently \$40 per vase. You are welcome to sign up to provide one or both vases. After you have signed up, simply make a check payable to St. Paul's Lutheran Church and mark it altar flowers. This is a great way to honor someone, celebrate a milestone in life, or remember a loved one. The flowers may be taken home with you at the conclusion of the 9:30 AM liturgy or you may have them given to someone who is sick, shut in, or hospitalized. If you wish, you can contact the office to reserve a date, and to provide all of the correct information for inclusion in the Sunday bulletin.

Council Highlights

The Congregation Council gathered for their regular meeting on Monday, September 21, at 6:30 PM in Christ Hall. The meeting began with prayer given by Alexis Heistand.

The Treasurer provided a detailed monthly report and a first draft of the 2027 budget proposal. Not all committees submitted written requests. The actual run rates for 2026 January through August along with the 2025 rates from September through December were used to arrive at the dollar amounts proposed for 2027. There is time for committees to provide additional information.

The Nominating Committee shared their collective work. There remain opportunities for service on Council, Mutual Ministry, Benevolence and Synod voting members. Please direct any questions or interest to Ann Anstadt, Keith Kates, or Carol Woodbury.

The application for serving on the Call Committee is included with this issue of the newsletter. For those interested in serving please complete the form and return it to Keith Kates by Oct. 14.

The Property Committee is continuing work on securing a plan identifying short- and long-range projects to assist the congregation in its mission.

The need for a comprehensive preschool safety plan continues. The preschool staff is documenting procedures that are currently in effect. Christ Lipp is willing to meet with the preschool director and staff to share expertise from professional contacts. The time in which to meet has not yet been established.

The Christian Education committee liaison shared preliminary observations regarding Sunday school for children at 10:45 AM. The Worship and Arts committee liaison will report back to council following the next worship meeting in October regarding the 9:30 AM combined worship time.

The request of the preschool to have the annual sub and sandwich sale was approved.

The church sexton will need time off soon and will be utilizing medical leave. The property committee will be asked to create a plan for coverage.

The meeting closed with prayer by Joe Guarriello.

Respectfully submitted, Pastor Reep

Pastoral Call Process

St. Paul's Lutheran Church, 25 W. Springettsbury Ave York, PA 17403 Aug 25, 2026

INTRODUCTION

In consultation with Pr. Reep, the Congregation Council of St. Paul's Lutheran Church, York understands that a change in pastorship is on the not-too-distant horizon. Through prayer and earnest conversation, the leadership believes that a quick transition will serve the parish most fruitfully in this moment of our history. The parish is healthy and prefers a succession plan characterized by "passing the baton" without stalled momentum. Specifically, the Congregation Council wishes to go about calling the next pastor while Rev. Reep is still serving and there is either a short overlap in the service of the two pastors or the briefest possible gap in senior pastoral leadership without an interim.

PROCESS

The Congregations Council's intent is for Rev. Reep to remain as pastor of the congregation throughout this process or until he determines that it is time to retire, whichever comes first.

1. St. Paul's Congregation Council obtained approval of this process (a) by formal vote of the Council and (b) with agreement from the LSS Bishop's office.
2. The Congregation Council will select a Call Committee according to its Constitution, which requires six voting members.
 - a. Council will solicit nominees from the congregational membership and ask that each nominee submits a common-form bio explaining his/her interest in serving in this capacity.
 - b. Council will establish six voting members and one non-voting alternate for the committee.
 - c. We hope to present the Call Committee to the congregation by the Annual Meeting on November 15, 2026. But if not, we will continue the process as stated.
3. The Call Committee will be responsible for generating the Ministry Site Profile (MSP) according to the ELCA's standard form with an account through the ELCA.
 - a. The Congregation Council and congregation may provide suggestions for the MSP, as it has already been engaged in thoughts and discussions about the transfer of leadership, and desired skills.
 - b. The Call Committee, Congregation Council, and Bishop's office will meet and agree on the final draft of the MSP. This meeting will follow guidance in the Call Manual.
 - c. The MSP will include the specifics of this Pastoral Call Process document.
 - d. The hope of the Congregation Council in drafting this process is to establish a MSP by early 2027.
4. The Bishop's office, the Call Committee, and the Congregation Council will follow a normal process in proposing and interviewing candidates according to the Call Manual. The Call Manual does not reflect this exact process but the portions which can be followed, will be.
5. If a candidate is identified and recommended to the congregation before Pastor Reep is retired, the two pastors, in consultation with the Congregation Council and before the call vote, will explore the possibility of the overlap and define expectations and timeline (Rev. Reep and the called candidate serving coincidentally).
 - a. At the beginning of this process, the Congregation Council is interested in a brief overlap, but this is negotiable. Our intent is that an overlap period would not exceed 2 months.
 - b. Parish leadership believes that resources in our membership could bridge the gap between pastors if Rev. Reep retires before the next called pastor begins service for at least three months (as it did while Pr. Reep was on sabbatical in summer 2023).
6. Pastor Reep will not participate in the call process. He will not select the Call Committee nor will he be privy to their work. If Pastor Reep is not retired and the candidate is being recommended to the congregation, then pursuant to above 5, Pastor Reep becomes involved in conversations regarding timeline.
